North Carolina Regulatory Affairs Forum

NCRAF is an association of regulatory affairs professionals centered in the Raleigh-Durham-Chapel Hill "Triangle" of North Carolina USA. NCRAF is dedicated to providing education and support for the continuing professional development of individuals who have an interest in regulatory affairs activities as they apply to research, development, or manufacture of drugs, biologics, or medical devices.

2019 US RAC Course Tuesdays, June 4 to Sept. 24

6:00 to 8:00 pm

DCRI Room 1200
