

## Career Opportunity Listing Information

Thank you for your interest in listing a career opportunity at your company on the NCRAF Career webpage.

NCRAF accepts advertisements for employment opportunities in the field of regulatory affairs or quality assurance as they apply to organizations in research, development, or manufacture of drugs, biologics, or medical devices. To advertise an employment opportunity on the NCRAF website, please click the "Job Listing Form" button at the bottom of the page.

We request that you provide the following information. Once submitted, your information will be reviewed and then posted to the Careers webpage. If submitted information is unclear, queries will be submitted via email to the listed contact before posting.

The following are the items necessary for the listing on the Career page:

Contact Name (not shown on the webpage)

Contact Email (not shown on the webpage)

Contact Phone (not shown on the webpage)

Company Name

Position Title

JobID code

Company Job Description URL Address

A brief description of not more than 500 characters about the career opportunity.

There is no cost for this listing and the listing will appear for 60 days on the NCRAF website.

If you have any questions about the form or the process, please contact the [webmaster](#) .

Thank you,

NCRAF
